Dear Sirs:

A. Introductory Comments

This amendment responds to an Official Office Action mailed to Applicant's counsel on 4-22-2004, and it has been timely filed under the Certificate of Mailing Procedure established by 37 C.F.R. § 1.8. Please amend this case by entering the changes evident in the accompanying sections submitted under 37 C.F.R. § 1.121 as amended March 2003. The four sections presented by this amendment are respectively entitled "Introductory Comments," "Amendments to the Specification," "Amendments to the Claims," and "Remarks." All text has been marked up to show changes made relative to the immediate prior version, as set out in 37 CFR 1.121(b). Deleted matter is shown by strikethrough and additions are underlined.

The "claims section" of this amendment includes a sequential listing of all claims using only the notations "Original", "Currently amended", "Previously amended", "Cancelled", "Withdrawn", "Previously added," "New," "Reinstated-formerly claim #", "Previously reinstated," "Re-presented - formerly dependent claim #", and "Previously re-presented". No accompanying "clean" version of anything is presented in view of the recent PTO changes to 37 C.F.R. § 1.121.
